

HELIX® 3071

HexArmor®

Innovation intertwined with safety. That's the DNA of the Helix® Series. The Helix® 3071 features a 13-gauge HPPE/steel blend shell that gives wearers 360° level A6 cut resistance and Contact Heat level 1.

The wrinkle rubber palm coating on the palm provides superior grip and tactility while the fully coated natural foam latex offers 360° fluid resistance that extends to the knit wrist to keep out fluids and dirt.

Attributes

Shell:		13G HPPE/steel
Coating:	Material:	Latex
	Finish:	Textured palm/smooth back-of-hand
	Weight:	Heavy
	Breathability:	Poor
	Flexibility:	Fair
	Grip:	Dry and wet
Sizes:		7/S through 11/XXL

Liquid resistant

Product features

- 13-gauge HPPE/steel blend shell
- Fully coated natural foam latex offers 360° fluid resistance
- Wrinkle rubber palm coating provides superior grip and abrasion resistance
- Meets level 1 ANSI/ISEA 105-2024 for contact heat resistance
- Coated knit wrist helps prevent fluid and debris from entering the glove
- Ultimate dexterity and tactility
- Seamless construction for enhanced comfort
- Launderable for extended life
- Vend-packed
